A leading charity helping all neglected horses to live a full and dignified life.

Our story

Remus Memorial Horse Sanctuary was formed following the plight of the horses on Rainham Marshes, Essex, where over 100 horses were left on the bleak marshland. As the water inlets flooded, the horses became cut-off resulting in 13 horses dying in the most awful conditions.

We then met Remus, a poor neglected horse, stolen and starved for three months and eventually left tied to a lamp post with no water for 13 days. Sadly, his suffering was so bad that he had to be put to sleep.

Our aim is to provide an environment where horses are safe and, after a lifetime of doing their best for mankind or sadly being abused by mankind, have a life built around them, giving them all they need and asking nothing in return.

This is their time.

A donation, however small, will help other suffering horses.
